GOLDEN CREST

NINETEEN HUNDRED SEVENTY-NINE

MOODY HIGH SCHOOL

Debbie,
Even though I only met you this year I consider you a very good friend. We have had so much in common. You and I know what that is. And I wish you and your boyfriend all the luck in the world. I hope you keep in touch! My number is 640-6889 Route 4 Box 124 Leeds, Alabama. Please be the sweet nice considerate person you are to everyone you encounter. I know you will accomplish everything you dream, because you have the will power it takes.

Funky Friends Forever — Keep Sweet!

Good Luck — To a very sweet person — Love your friend, Anita

to the girl with the luck in the world — John Bearden

To a girl who I hope will make the best of Things in life. "Be Good" in all you do. Love ya, Mrs. Baker

Debbie, You have been a nice girl and I hope you will have a lot of happiness in the world. You have always been a like a little sister to me. I am going to miss you when you leave.

Love
Tina
Bearden

We invite you to come with us on a journey which will carry you to our first Homecoming ever at Moody High School, to view our wins and losses in all areas of sports, and to a special view of student life. Along the road we'll introduce you to our faculty and students who have made this a year to remember at MHS.

In your yearbook, you will glimpse in pictures the journey which began in May when our previous year ended. It ends when the annual staff has drawn the last lines and stamped the last pictures.

"Let's Be True To Our School" rang out through the halls of MHS as we added many firsts at our school. The promises of firsts to come are in evidence also. We, the Yearbook Staff of '78-'79 say, "Welcome aboard for a delightful journey."

PRINCIPAL'S MESSAGE

The '78-'79 school year has been marked by many changes. The addition of the 10th grade and the many new faculty members have given our students even more pride in our school.

I wish to commend our fine students, faculty, and staff for their hard work and dedication to making Moody High School outstanding in academics as well as extra-curricular activities.

As we look ahead, we see so many of our needs being met as plans for a football field, gym, and lunchroom come closer to being a reality.

We look at our 10th grade with pride and know they will be the first graduates of Moody High School. We know they will establish a tradition of leadership, academic, and athletic achievement to be followed by those who follow in the years ahead.
